HUNGER FREE VILLAGES=452

June 236
May 154
There is a growing demand for 2000 such survival kits today from all over the State. We will not stop responding to their appeal. It is coming from all over some 600 miles from Tilonia from the desert district of Barmer. We must rise to the occasion show generosity and compassion to all. We will not abandon Mahatma Gandhi's last Man and Woman.

---

**CAMEROON**

Solar Mamas are conducting reusable pad workshops and tippy tap workshops to increase good hygiene and keep women and girls safe.

**LIBERIA**

Our main partner, Grand Bassa Community College (GBCC) is hosting a Barefoot training facility, and has been distributing masks, soap and water.

**AFGHANISTAN**

Partner Shuhada is running 8 health centres across 3 provinces, distributing safety materials including gloves, masks and suits, and antiseptics like soaps and sanitizers.

**TURKEY**

Partner İmecе İnisiyatifi Česme has been addressing the needs of female refugees and their children who are in refugee camps and have been distributing necessities and PPE kits in the İzmir region.

**ZANZIBAR**

Barefoot Zanzibar is producing reusable masks. Over 32000 reusable, 100% cotton masks have been made, and dozens of women have been employed with fair wages.

**SYRIA**

Partner Monastery of Yakeb has been using its centres for local COVID awareness and wellbeing.

**AFRICA**

Our main partner, Grand Bassa Community College (GBCC) is hosting a Barefoot training facility, and has been distributing masks, soap and water.
